

Responsible Lobbying Statement

Last updated: 18/08/2026

HONE does not currently engage in lobbying or make political contributions.

If HONE engages in lobbying or policy advocacy in the future, it will do so transparently, based on reliable information, and in a manner consistent with HONE's social and environmental commitments.

HONE will not use lobbying or advocacy activities to undermine laws, regulations or policies intended to advance positive social or environmental outcomes.
